INSTALLATION

- Easy and fast installation
- Save time and money
- 100% Waterproof
- Seamless for cleaning
- Thousands of designs available
- Directly installed on old tiles available

STRUCTURE

Lock System

The Click Lock System prevents the intrusion of water, perfect for Washrooms.

Wall Panel Profiles

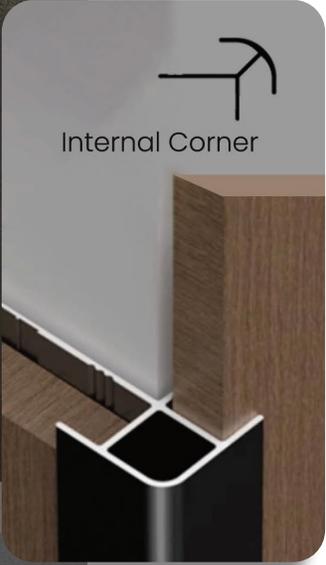

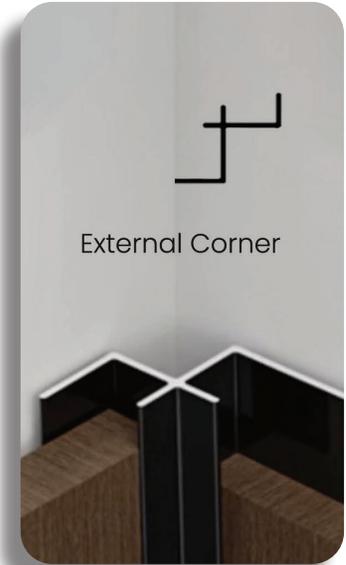

The Wall Panel profile gives off a more luxurious look. It can be matched with any SPC Wall Panel.

Silicone Adhesive

Wall Panels are firmly fixed with Silicone Adhesive. Applied on wood, tiles, metal and other surfaces.

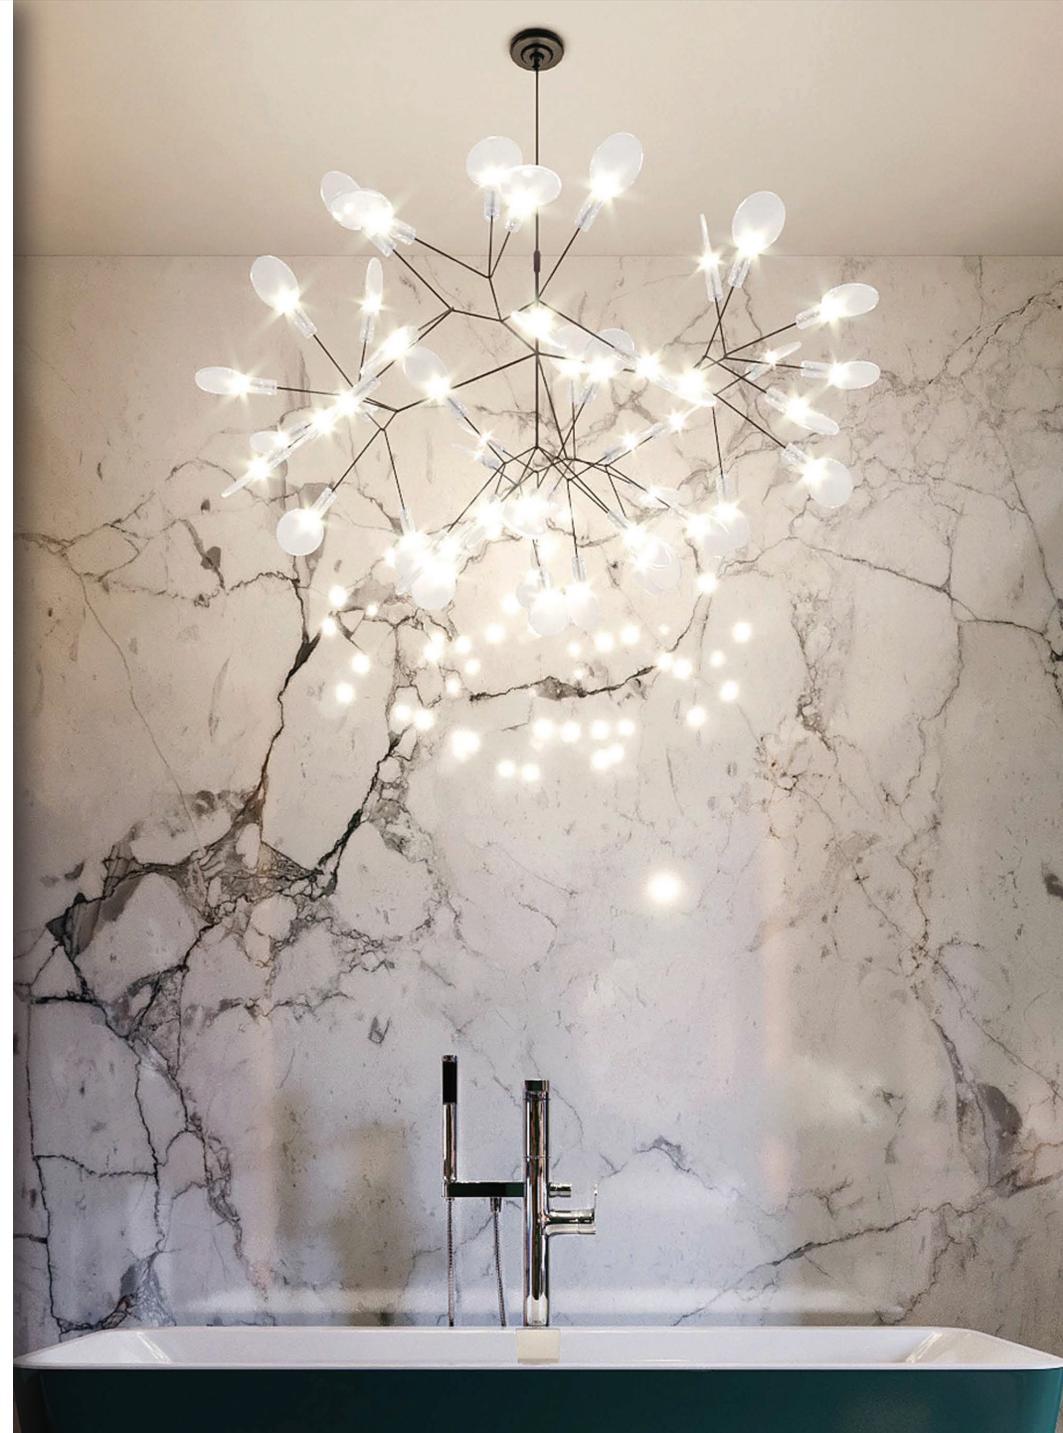

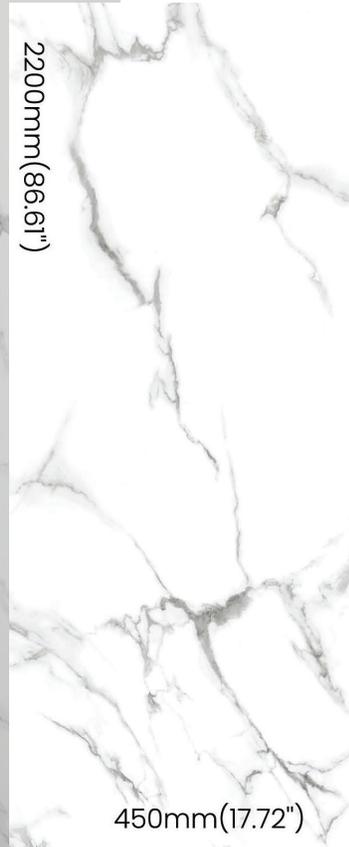

WALL PANEL - GRANDE

The Wall Panel - Grande brings the flawless perfection of using larger planks with fuller patterns for exquisite interiors.

The Wall Panel - Grande copies the texture of marble creating a minimalist, yet luxurious atmosphere.

The Wall Panel - Grande are 100% water proof, and can be installed in washrooms.

Size:

WALL TILES
